10th House Career Reading

Sample chart 10th house: Leo. 10th lord: Sun (placed in 10th own sign, extremely strong). Combined with Mars in the 3rd and Rahu in the 11th, this creates the "born leader" pattern — entrepreneurship, public roles, and government-adjacent careers are strongly indicated. The Dasamsa D10 confirms: Jupiter in the D10 5th brings advisor/mentor authority.

Career Direction

Primary: leadership roles in creative, entertainment, government, or luxury sectors. Business ownership signature is strong — Sun-Rahu combination gives risk appetite; Jupiter in 11th gives sustained gains from own effort. Employment years (early career): typically until early 30s. Business/independent years: from mid-30s onwards, particularly during Jupiter mahadasha (starts 2033).

Promotion & Job Change Windows

Best promotion window in next 3 years: Aug 2027 - Feb 2028 (Sun antardasha + Jupiter transit through 10th). Best job-change window: Nov 2028 (Mercury transit + favourable Moon nakshatra). Avoid job changes in Sade Sati Phase 2 (2029-2031) — Saturn transiting over natal Moon typically stalls career leaps.
