Sample Marriage Report

A 2-page preview of what your ?199 full Marriage Report looks like

7th House Analysis

This sample uses a fictitious chart. Your 7th house sign: Taurus. Ruling planet: Venus (well-placed in the 4th house). This gives an attractive, financially-stable, family-oriented spouse from a traditional background. Venus in the 4th indicates the meeting will happen through family or community connections rather than random encounters.

Spouse Profile

Physical: fair complexion, medium build, expressive eyes. Personality: patient, artistic, values comfort and beauty, occasionally stubborn. Profession: creative field or finance — possibly interior design, banking, or hospitality. Family background: traditional, well-established, likely from the same or nearby city. Timing: marriage most likely in Venus antardasha (June 2027 - March 2030).

Compatibility Recommendations

Best moon-sign matches for your chart: Cancer, Virgo, Pisces (natural rasi compatibility). Manglik status: not applicable (Mars in Sagittarius, exempt house). No Kaal Sarp complications for marriage. Guna Milan target: aim for 24+ out of 36 for optimal compatibility.
